3. General product information

A Draft is either a bank or company cheque made out to Your nominated Payee in a specified single currency. A Draft is similar to a personal cheque which can be used to make payments. A Travelex Draft also allows You to make a payment in a foreign currency.

4. Significant product features

Travelex Drafts are either bank or company cheques issued by Travelex Limited or a correspondent bank to a specified Payee.

Payment by Travelex against a Draft is made following presentation of the Draft by the Payee's bank and a period of clearance. This is known as payment on a Collection basis and means that there is a delay between the date the Payee physically receives the Draft and the date the Payee receives value for the Draft. The clearance time may vary by country but would not ordinarily be any less than 1 day.

Drafts are available in a wide range of foreign currencies. For the range of currencies available please consult Our nearest Travelex store, authorised representative or contact Travelex General Enquiries on 1300 727 113.

Where can I purchase them?

You can purchase a Travelex Draft through Your nearest Travelex store, registered sales agent or authorised representative or You may pre-order a Draft by phone on 1800 003 876. If You choose to pre-order a Draft by

phone You must designate a pick up location which may be either at the location of the authorised representative or Your nearest Travelex store.

What happens if a Draft is lost or stolen?

In the event Your Draft is lost or stolen You must immediately notify the authorised representative or the Travelex store from which You purchased Your Draft. Upon notification and verification by Us that Your Draft has not been presented for payment We will issue a Stop Payment on the Draft(s) and will either issue You with a new Draft or pay to You the face value of the Draft.

5. Benefits of Drafts

Some of the benefits associated with Travelex Drafts are set out below:

- Drafts may be enclosed with letters or invoices and forwarded direct to the Payee.
- In the event that the Draft is lost or stolen, and after a stop payment has been confirmed by Us, We will refund the money or issue a new Draft to You.
- A Draft provides an economical method of transferring funds to a specific company or persons overseas.
- A Draft provides security of payment as it is a non-negotiable instrument and can only be credited to the Payees bank account unless the Payee has endorsed the Draft.
- Drafts may be purchased in a variety of foreign currencies. The currencies available are subject to change.

6. Risks associated with Drafts

This outline of risks does not purport to disclose all of the risk or relevant considerations relating to Draft's

- When You purchase a Draft in a foreign currency the exchange rate is set at the time of purchase. This means that the Payee of the Draft will not obtain any benefit if there is a favourable movement in the exchange rate between the time when You purchase a Draft and the time when the Draft is presented for payment by the Payee.
- The clearance time between the date of purchase and the date the Payee receives value for the Draft may represent an opportunity cost to You and/or the Payee.

7. Fees & charges

To purchase a Draft You will be required to pay a commission either directly to Us or to Our registered agent or authorised representative (as the case may be). This commission includes an agent fee that is retained by Travelex.
