Travelex Limited (ABN 36 004 179 953)

Level 12, 1 Margaret Street, Sydney NSW 2000

Date of preparation: 1 July 2009

Under the Corporations Act 2001 (Cth) we are required to provide you with this Financial Services Guide ('FSG') to inform you of some key facts before we provide you with a financial service. This is an important document, which provides information about Travelex ('we', 'our' and 'us') to help you decide whether to use the financial services we provide.

The FSG explains who we are, the services we are authorised to provide, how we are remunerated, any conflicts of interest and details of our dispute resolution procedures and how they can be accessed.

Other documents you may receive

If we recommend a financial product or offer to issue, or arrange the issue of a financial product, we will also provide you with a Product Disclosure Statement ('PDS') containing information about the particular product to assist you in making an informed decision about that product.

What financial services do we provide?

Travelex is considered to be providing financial services because we:

- deal in a financial product.
- provide financial product advice.
- make a market for a financial product.

Providing instructions to us

You may (depending on the financial product or service we are selling to you) provide instructions to us:

- in person at a Travelex Foreign Exchange store;
- by phone;
- by facsimile; or
- electronically.

Instructions received for certain financial products or services we sell will require your signature for the purposes of verification. In addition, some products and services may have their own rules around how to provide instructions or execute certain transactions. Please refer to the PDS, other disclosure documents or the terms and conditions of that product or service for those instruction details.

Who will provide the financial service to you?

This FSG has been prepared by Travelex Limited.

Travelex Limited and its authorised representatives provide financial services pursuant to an Australian Financial Services Licence ('AFSL') Number 222444.

An authorised representative provides services to you on our behalf.

What products & services are we licensed to provide?

Who do we act for when we provide financial services to you?

We are the issuer and the providing entity for most of the financial products we offer. We may from time to time offer to sell financial products on behalf of other issuers and when we do, we act for the issuer and not for you. These financial products currently include:

Financial Product	Product Issuer
Cash Passport Cards	Interpayment Services Limited*
Cash Passport Debit Cards	Heritage Building Society Limited**
Drafts	Various ***
Barclays Bank Account (UK)	Barclays Bank Plc.**

* An entity part of the Travelex Group of Companies.

** Not a related company of the Travelex Group of Companies.

*** The issuer of Travelex Drafts varies according to the currency required and the relationship with the correspondent bank.

We act under a binder from the insurer. This means that we represent and act for the insurer, not for you. This allows us to issue the travel insurance product for the product issuer as if we were them.

How do you pay for the financial services?

Travelex employees are remunerated on a salary basis with performance incentives based on the overall financial performance of Travelex, the Business Unit in which they operate and individual performance. Some Travelex employees are also paid incentives based on sales of financial products and services.

On products issued and directly supplied by us, we earn income on the margin between wholesale cost of supply and the revenue on sales at prices offered to customers. These margins vary in accordance with the size of the transaction and the type of product. When we assist you to open a UK bank account, we will charge you a fee for the service, in addition to any margin on the associated foreign exchange transaction.

In the instance where we offer to sell you a product on behalf of another issuer or providing entity, we may receive a commission and/or a fee for such a transaction. Such commissions may be received from:

Product	Product Issuer	Commission Range
Cash Passport Cards	Interpayment Services Limited	Up to 5% per foreign exchange transaction
Cash Passport Debit Cards	Heritage Building Society Limited*	Up to 5% per foreign exchange transaction
Funds Transfer Services	Western Union Holdings, Inc	0% to 32% of inbound or outbound fee
Travel Insurance	Great Lakes Reinsurance (UK) PLC	0% to 50% of the total policy value
Travellers Cheques	American Express Travel Related Services Company, Inc.	For Amex Travellers cheques sold by Travelex, Amex pays Travelex a commission of up to 0.3% of the face value of the Travellers Cheque sold by Travelex.

* this commission payment is received from Interpayment Services Limited pursuant to an agreement between Interpayment Services Limited and Heritage Building Society Limited.

With the exception of the service provided in assisting you to open a UK bank account, we do not charge for the time spent providing a financial service to you including the provision of any general product advice given to you.

Are there any conflicts of interest which may influence us with the provision of financial services to you?

Some products we offer to you are issued by members of the Travelex Group. We may also from time to time offer products on behalf of other issuers. When this is the case, we will ensure that we have the appropriate supply agreements with each providing entity to enable us to sell their products. However, we are not part of another financial services group whose products we are obliged to offer.

Will we pay anyone for referring you to us?

In limited circumstances, you may have been referred to Travelex directly or incidentally. Depending on the circumstances, the referring entity may receive a commission, based either on a flat referral fee or on gross sales upon the referral.

What type of advice does Travelex provide?

Travelex only provides general advice and does not provide personal financial product advice. This means that we will not take into account your financial needs, circumstances or objectives in any of the advice we provide. You must make your own decision on whether our financial products are right for you.

What should you know about the risks associated with the financial products we provide to you?

We will explain to you any significant risks associated with financial products we provide to you, as identified in the PDS for the financial product. If you do not believe this explanation to be adequate, you should ask us to explain these risks further. We only provide general advice in relation to the financial products we sell.

Do we have adequate compliance systems?

We remain up to date on industry compliance issues pursuant to our Australian Financial Services Licence, which requires staff to undergo ongoing training in respect of our responsibilities to you.
