Important information about foreign transactions

A foreign exchange margin applies if the card is used for purchases or withdrawals in any currency other than the currency of the Card. The applicable margin is 5.95% for a card loaded with AU\$ and 8.45% for a foreign currency card.

Example of Foreign Exchange Margin for an AU\$ card

Suppose you have an AU\$ denominated Card and you make a purchase from a merchant outside Australia (in the USA) for US\$50.00 and the prevailing exchange rate, set by Visa, is US\$1.00 = AU\$1.34. Before the foreign exchange margin applies, this would equate to AU\$67.00 (US\$50.00 x 1.34). After the foreign exchange margin of AU\$3.99 is applied (AU\$67.00 x 5.95%), this would equate to AU\$70.99 (AU\$67.00 + AU\$3.99). Please refer to clause 10 of the terms and conditions for full details of how these margins apply.

additional 10% may be automatically added as an anticipated delivery charge. If the actual delivery charge is less, it may take up to 7 business days from the date of the transaction before the difference is available.

- 5.7 The Cash Passport Fund will be debited with the amount of each cash withdrawal or transaction and any fee and these debits will reduce the credit held in the Cash Passport Fund. Each transaction will require authorisation or validation before completion.
- 5.8 Although the Visa logo may be displayed in some countries the Card may not operate there (due to restrictions of Visa). The Distribution Outlet or Card Services may be able to confirm current availability.
- 5.9 If there are insufficient funds in the Cash Passport Fund to pay for a transaction the Card (or Additional Card) may be declined or the retailer may allow you to pay the balance by some other means.
- 5.10 You agree to accept a credit to the Cash Passport Fund if you are entitled to a refund or other credit for any reason for goods or services purchased using the Card (or Additional Card).
- 5.11 A transaction or payment cannot be stopped once you authorise the use of the Card (or Additional Card).
- 5.12 The ATMs and point of sale terminals are not owned or operated by the Issuer or Travelex and the Issuer and Travelex are not responsible for ensuring that they will accept the Card or any Additional Card.
- 5.13 You must comply with all laws and regulations (including any foreign exchange controls) in respect of the Card (or any Additional Card) in the country of purchase and/or use.

6 Card Limits

- 6.1 Most ATM operators limit the minimum and maximum amounts that can be obtained in a single transaction. These amounts may also be limited (in some countries) by regulatory controls.
- 6.2 Other limits are also applicable to the use of the Card (and any Additional Card), as set out in the fees and limits table.

7 Additional Cards

- 7.1 One Additional Card will be provided to you free of charge by the Distribution Outlet at the time you purchase the Card.
- 7.2 The Additional Card is used in the same way as the main Card but cannot be used to make credits to the Cash Passport Fund.
- 7.3 You can de-activate an Additional Card at any time through the Distribution Outlet or Card Services.
- 7.4 You will be responsible for any transactions made with any Additional Card and for ensuring that an Additional Card is used in accordance with these Terms and Conditions.

8 Cash Passport Fund

- 8.1 Until the expiry of the Card you can add additional funds to the credit of the Cash Passport Fund through the Distribution Outlet (who will advise you of the acceptable methods of payment) or through BPAY, or through SMS Reload, subject to certain limits and subject to a fee (refer to the fees and limits table). There may be a delay (usually no more than 2 business days if the payment is made after 5pm Australian Eastern Standard Time) before funds added to the Cash Passport Fund via BPAY are available. You will be able to access the Cash Passport Fund through Card Services or My Account to:
 - (a) change some of your personal details;
 - (b) check the balance;
 - (c) check the last 5 transactions through Card Services or all transactions from My Account.
- 8.2 You can change the PIN through My Account.
- 8.3 You may also be able to make a balance enquiry at some ATMs although availability is dependent on the country and the ATM used. There may be a fee payable (to the ATM operator) for balance enquiries.
- 8.4 If an ATM displays a balance for the Cash Passport Fund in a currency other than the Card currency, the exchange rate applied may be different to ours and minor discrepancies can arise. An accurate balance can be obtained through Card Services or through My Account.
- 8.5 Information sent over the internet may not be completely secure and the internet and the on-line systems are not controlled or owned by the Issuer or Travelex so neither the Issuer nor Travelex can guarantee that they will function at all times and the Issuer and Travelex accept no liability for unavailability or interruption or for the interception or loss of Personal Information or other data.
- 8.6 Statements will be issued to you periodically at 6 monthly intervals. You can ask Card Services for a paper statement to be posted to you outside the normal statement cycle although there may be a fee for this. You should carefully check all statements

for any discrepancies and notify Card Services immediately if you believe there is any discrepancy in any statement.

- 8.7 The Cash Passport Fund can only be used if it is in credit. If it becomes overdrawn, and a Negative Balance arises, following any transaction authorised by you, the resulting debit balance immediately becomes a debt payable by you to the Issuer. A fee may also be payable if the Cash Passport Fund becomes overdrawn. If the Cash Passport Fund does become overdrawn, every attempt should be made to stop subsequent occasions. A fee may be applicable.
- 8.8 If we notice an error in the Cash Passport Fund that is our fault we will correct it within 5 business days of becoming aware of the error.
- 8.9 If you notice any error in any transaction in the Cash Passport Fund then you must notify Card Services immediately and in any event within 30 business days of the transaction in question. Card Services or the Issuer may request you to provide additional written information concerning any error and you must comply with that request.
- 8.10 Provided that you have complied with all reasonable requests for information we will correct the error if it is our or any of our service providers' fault. If we decide it is not our fault we will notify you in writing or by email as soon as this decision is made. Where we are required to do so, we normally re-credit the Cash Passport Fund within 10 business days, although there may be a delay whilst investigations are completed

9 Fees

- 9.1 You are liable for the fees set out in the fees table. These fees may be debited from the Cash Passport Fund as soon as they are incurred.
- 9.2 Certain merchants may charge an additional fee if the Card (or any Additional Card) is used to purchase goods and/or services. This fee is determined and charged by the merchant and is not retained by us.
- 9.3 If there is no credit balance on the Cash Passport Fund following the debit of any monthly inactivity fee (refer to the fees and limits table, if the balance is less than the fee we will waive the difference) and the Card has expired, we will automatically close the Cash Passport Fund.
- 9.4 The AU\$ Card is intended to be used as a travel money card and not to make withdrawals from ATMs in Australia. A fee of 2.95% of the value of the transaction will apply when you use an AU\$ Card to withdraw from an ATM in Australia and this will be debited from your Cash Passport Fund. For example, if you have an AU\$ Card and you withdraw AU\$200 from an ATM in Australia, the amount of this fee will be 2.95% of AU\$200 = AU\$5.90

10 Foreign Currency Transactions

- 10.1 There are five instances where a foreign exchange rate will apply: i) initial load or in-branch reload of a Foreign Currency Card; ii) BPAY or SMS Reloads of a Foreign Currency Card; iii) Point of sale transactions where the transaction is in a different currency to the currency of the Card; iv) ATM withdrawals where the local currency is different from the currency of the Card; and v) where you close a Foreign Currency Card. The method for calculating the foreign exchange rate for each scenario is as set out below.
- 10.2 The foreign exchange rate used for initial loads and in-branch reloads of Foreign Currency Cards is determined by the Distribution Outlet. You can ask the Distribution Outlet for the exchange rate beforehand. Foreign exchange rates are subject to variation and the rate that applies one day will not necessarily be the same on any other day.
- 10.3 The foreign exchange rate used for BPAY reloads and SMS Reloads is set and determined by us and varies each day.
- 10.4 If an ATM withdrawal or a point of sale transaction is made in a currency other than that loaded onto the Card, the amount will be converted into the currency of the Card. The foreign exchange rate used is the rate determined by VISA to be the wholesale market rate or the government mandated rate in effect on the day the transaction is processed by VISA (the "Rate"), plus a currency conversion margin of 5.95% for a Card loaded with AU\$, and 8.45% for a Foreign Currency Card. For example if you use a Card loaded with US\$ in France, the Rate applies as well as a currency conversion margin of 8.45%. If a Card loaded with US\$ is used in the United States, only the Rate applies with no currency conversion margin.
- 10.5 The foreign exchange rate used for closing a Foreign Currency Card is set and determined by us and varies each day. If you wish to confirm the foreign exchange rates before you close your Card you can call us on 1800 036 739. Suppose you have a US\$ denominated Card with US\$100 and you want to close your account and refund the card into AU\$. If the Traveler rate of the day was US\$1.00 = AU\$1.082, you would receive AU\$108.28 less a Cash Passport Closure Fee (which varies from agent to agent but may be up to AU\$10.00).

11 Closing the Cash Passport Fund

- 11.1 The Cash Passport Fund continues until you ask to close it or it is closed by us in

accordance with these terms and conditions (whichever is the earlier), even if the Card has expired.

- 11.2 At any time before the Card has expired, you may be able to arrange through the Distribution Outlet for payment in Australian dollars of any credit balance remaining in the Cash Passport Fund, less any applicable fee (refer to the fees and limits table). Depending on which Travelex store or distribution outlet you attend in order to close your Cash Passport Fund, the relevant amount will either be paid to you in cash or deposited into your nominated bank account (at our sole discretion). If you experience any difficulty in obtaining this balance through the Distribution Outlet or if the Card has expired then contact Card Services. The credit balance available to you will not include uncanceled pre-authorized or 'held' amounts (see condition 5), although these sums will be made available to you once the pre-authorization has been cancelled or the 'held' amounts released and the relevant amounts re-credited to the Cash Passport Fund.
- 11.3 Once the Cash Passport Fund is closed, you must destroy the Card and any Additional Card by cutting it (or them) in half diagonally and disposing of it (or them) securely.

12 Global Emergency Assistance

- 12.1 You are entitled to Global Emergency Assistance from Activation until expiry of the Card.
- 12.2 The Global Emergency Assistance services are available to you, your partners and children under 16 years of age.
- 12.3 The Issuer does not provide the Global Emergency Assistance services and does not promise that the Global Emergency Services will:
- (a) always be available;
 - (b) be suitable for any purpose; or
 - (c) be provided to any particular standard.
- 12.4 You acknowledge that any changes to, or discontinuance of, the Global Emergency Services can occur without the Issuer's participation.
- 12.5 You also acknowledge and agree that:
- (a) the Global Emergency Services are used at your own risk;
 - (b) the Issuer is not liable for any liability or loss arising in connection with the use by you of the Global Emergency Services or because of the Global Emergency Services being unavailable or discontinued;
 - (c) you will indemnify the Issuer against those liabilities and losses;
 - d) you cannot make any complaint to the Issuer about the Global Emergency Services; and
 - (e) you do not rely on the Global Emergency Services being available, being suitable for any purpose or being provided to any particular standard in deciding to purchase the Card.

13 Card Security

- 13.1 You must make sure that you keep the Card, any Additional Card, the Security Details and any PINs safe and secure by:
- (a) never allowing anyone else to use the Card or the Additional Card;
 - (b) not interfering with any magnetic stripe or integrated circuit on the Card or any Additional Card;
 - (c) not giving the Card or Additional Card number to any unauthorised person;
 - (d) not writing the PINs on the Card or any Additional Card;
 - (e) not carrying the PINs with the Card or any Additional Card;
 - (f) not recording any PINs where it may be accessed by other people;
 - (g) not giving PINs to anyone else (including the police and/or Card Services personnel or the Distribution Outlet's employees);
 - (h) not giving the Additional Card PIN to any person;
 - (i) not giving any Security Details to any unauthorised person;
 - (j) complying with any instructions we give about keeping the Card, any Additional Card and any Security Details safe and secure;
- 13.2 The Card will be disabled if an incorrect PIN is entered three times. If the Card is disabled, please contact Card Services to reactivate the Card. There may be a delay (usually 24 hours) in reactivating a disabled Card.

14 Loss, Theft and Misuse of Cards

- 14.1 If you know or have reason to suspect that the Card (or any Additional Card) is lost or stolen or (12) damaged, likely to be misused or you have reason to suspect that someone else may know the PIN or Security Details, you must stop using the Card and

any Additional Card and immediately notify the Distribution Outlet at which you applied for the Card in person or contact Card Services. We will then suspend the Cash Passport Fund to restrict further use.

- 14.2 You may be required to confirm details of the loss, theft or misuse in writing (and to provide particular information in the confirmation) and you must comply with that request.
- 14.3 You must assist us and the police in any enquiries and attempts to recover a lost or stolen Card or Additional Card.
- 14.4 If any lost Card or Additional Card is subsequently found it must not be used unless Card Services confirm it may be used.

15 Liability for Unauthorised Transactions

- 15.1 For as long as the Issuer remains a subscriber to the EFT Code, your liability for losses arising from Unauthorised Transactions will be determined under the EFT Code.
- 15.2 You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.
- 15.3 You will not be liable for losses resulting from Unauthorised Transactions that are caused by the fraudulent or negligent conduct of:
 - (a) our staff or agents;
 - (b) companies involved in networking arrangements; or
 - (c) merchants who are linked to the electronic funds transfer system or of their agents or employees.
- 15.4 You will not be liable when Unauthorised Transactions:
 - (a) happen with a Card or Additional Card after notification to us that the Card or Additional Card has been misused, lost or stolen or that the security of the relevant PIN has been breached;
 - (b) happen before you receive the Cards and PINs;
 - (c) are made with forged, faulty, expired or cancelled cards or numbers (as applicable); or
 - (d) are the result of the same transaction being incorrectly debited more than once to the same Cash Passport Fund.
- 15.5 You will be liable for losses resulting from Unauthorised Transactions where we can prove on the balance of probability that you have contributed to the losses through:
 - (a) fraud;
 - (b) voluntarily disclosing the relevant PIN to anyone, including a family member or friend;
 - (c) writing the relevant PIN, or a disguised record of it, on a Card or Additional Card;
 - (d) keeping a record of the relevant PIN without making a reasonable attempt to disguise it or to prevent unauthorised access to it, in a way that it could be lost or stolen with a Card or Additional Card;
 - (e) if you are allowed to select or change a PIN – selecting a PIN which represents your birth date, or an alphabetical code which is a recognisable part of your name, after we or our agents have asked you not to select such a PIN and told you of the consequences of doing so; or
 - (f) acting with extreme carelessness in failing to protect the security of the relevant PIN.
- 15.6 You will be liable for losses resulting from Unauthorised Transactions where we can prove on the balance of probability that you have contributed to the losses through unreasonably delaying notification of the misuse, loss or theft of a Card (or Additional Card) or that the security of the relevant PIN has been breached. However, your liability in this case is limited to losses occurring between the time that you became aware (or should reasonably have become aware) of the misuse, loss, theft or security breach and when we were actually notified and will not be any higher than that portion of the losses incurred:
 - (a) on any one day, which exceed any daily transaction limit applicable to the Card (or Additional Card, as applicable); or
 - (b) exceeding the balance of the Cash Passport Fund available for transactions using the Card (or Additional Card).
- 15.7 You will be liable for losses resulting from other Unauthorised Transactions not described above, but if a PIN was required to perform an Unauthorised Transaction not described above, your liability is limited to the least of:
 - (a) AU\$150;
 - (b) the balance of the Cash Passport Fund available for transactions using the Card (or Additional Card); or
 - (c) the actual loss at the time we are notified of the misuse, loss or theft of the Card (or

Additional Card) or of the breach of security of the PIN (excluding that portion of the loss incurred on any one day which exceeds the applicable daily transaction limit).

- 15.8 To dispute a transaction(s) on your card complete the 'Cardholder Statement of Disputed Transactions' form and fax to +44 1733 502179.

16 Replacement Cards

- 16.1 If the Card (or any Additional Card) is lost, stolen or damaged, you can request a replacement by attending in person at the Distribution Outlet. Prior to the issue of a replacement you may be asked to produce proof of identification. Replacement cards are sent to you at your nominated address by standard post.
- 16.2 If you are abroad you may contact Card Services who may arrange for funds to be made available from various world-wide outlets or send funds direct to you in place of a replacement Card.

17 Ending of the Agreement

- 17.1 You may end this Agreement at any time by writing to, or emailing, Card Services and the Cash Passport Fund will subsequently be closed (see condition 11).
- 17.2 The Issuer may ask for the return of the Card or any Additional Card, cancel or suspend their use and/or end this Agreement if:

- 17.4 If the Cash Passport Fund is closed, we will refund any credit in the Cash Passport Fund (less any fees, see condition 11 for more information).

18 Changing the Terms and Conditions

- 18.1 We may change these Terms and Conditions (including bringing in new terms, changes in the fees or limits and the services we offer) at our discretion by giving you at least 20 days notice (see condition 21 for details of how we will communicate with you).
- 18.2 We may change these Terms and Conditions without notice in order to enable us to comply with any laws, legal obligations and Anti Money laundering policies.

- 19.7 Your Personal Information will be processed outside Australia but all service providers are required to have adequate safeguards in place to protect your Personal Information.
- 19.8 Your Personal Information will not be shared or used for any other purpose except as stated above unless we are required or permitted to do so as a result of any government laws and regulations, by a court order or by any business or persons to whom we transfer our rights and obligations under the agreement between you and the Issuer which is governed by these Terms and Conditions.
- 19.9 We will continue to keep such of your Personal Information that is necessary after the expiry of the Card or closure of your Cash Passport Fund on the same terms as are set out above.
- 19.10 You are entitled to ask Travelex or the Issuer to supply you with any Personal Information that we hold about you. You must submit your request in writing. We will delete any incorrect information or correct any errors in any of your Personal Information that come to our notice.

- (a) may verify your identity by reference to any or all of the Security Details; and

22 Third Parties

- 22.1 The Issuer may transfer its rights and obligations under its agreement with you to any other person or business. From then on, references in these Terms and Conditions to the Issuer are to be read as references to the person or business to which the Agreement was transferred.
- 22.2 Except in those circumstances, nothing in these Terms and Conditions will confer on any third party any benefit or the right to enforce any terms of the Agreement between you and the Issuer.
