Note: This is a basic summary only. Please refer to the Terms and Conditions and the rest of this PDS for more information.

Convenience

Your Travelex Money Card is a convenient way for you to take multiple[#] different Currencies in spending money overseas, enabling you to easily manage your money while away from home. You can use it online or to pay directly for goods and services at Mastercard merchants or withdraw local currency from any ATM displaying the Mastercard Acceptance Mark. With the Travelex Money Card you do not need to worry about bank opening hours or lengthy queues, you can access your funds instantly, at any time of the day or night. The Travelex Money Card is for electronic use only and cannot be used for manual or offline transactions. Your Travelex Money Card also enables you to manage your Card online at **www.travelex.com.au** – from where you can conveniently access your Card information at any time, including your Card balances, allocate your funds across different Currencies, and check your transaction history. You can also use this website to locate the nearest Mastercard ATM.

Please see clause 3.1 of the Terms and Conditions for further details. Before making a decision to acquire the Card, please check with the Travelex Store or on **www.travelex.com.au** for details of the available Currencies.

Safety and Security

For additional security, your Travelex Money Card is chip and PIN protected and has a signature panel on the reverse. You should call the appropriate number listed at **www.travelex.com.au** or as set out on the back of your Card.

When available, your Card will be automatically registered for the Mastercard Identity Check service, which is a service designed to protect you from fraud. It will give you extra protection when you are shopping online using your Card. When purchasing goods online using the Card, it will assess the transaction that's taking place. Mastercard Identity Check will either authorise the transaction automatically or you might be asked to enter additional information for example the 6 digit SMS password sent to your registered mobile phone number or some personal and Card information. Please ensure we have your correct mobile phone number to receive relevant password information. The Mastercard Identity Check service is provided to you by Mastercard Prepaid and not the Issuer.

Easy to Budget

A Travelex Money Card enables you to load both foreign currencies and Australian Dollars onto the one Card. This means you can exchange your Australian Dollars into one or more currencies you require before you travel. When travelling you then know exactly how much you have to spend in the relevant currency.

As your Travelex Money Card is prepaid, you know exactly how much you are spending when you are away from home. If you want to use your Card again, you can load more funds onto it for your next trip. If you have money left on your Travelex Money Card at the end of your travels, you can obtain a refund of your remaining balance* (an administration fee will apply – please see Fees and Limits Table).

Significant Risks associated with the Travelex Money Card

Security: It is important that you safeguard your Card details, your PIN and any other passwords, equipment or software required for your operation of your Travelex Money Card. If you do not, then you may be liable for unauthorised transactions and other amounts as explained further in the Terms and Conditions. You may also have other liabilities, and our liability may be limited, as described in the Terms and Conditions. There is a risk of unauthorised or mistaken transactions being made through the Travelex Money Card.

In certain circumstances, the Issuer's liability in respect of unauthorised or mistaken transactions is limited, meaning that you may still be liable for the transaction, except to the extent that the liability is caused by the Issuer's fraud, negligence or wilful misconduct (including that of the Issuer's officers, employees, contractors or agents) .

In some circumstances the Issuer may not be liable for losses that are not caused by the Issuer's fraud, negligence or wilful misconduct (including that of its officers, employees, contractors or agents), including where the losses are excluded in the Terms and Conditions, or in the event of equipment or system failure, financial scam or fraud (including consequential losses). The amount that may be withdrawn using a Travelex Money Card may be limited by the ATM operator or merchant. In some cases, the way in which a point of sale transaction is processed will depend upon the functionality of the equipment used.

Foreign exchange fluctuations: When a Travelex Money Card is loaded, it can be loaded with multiple pre-determined Currencies[#]

[#] The Currencies available in respect of the Travelex Money Card may vary from time to time and not all Currencies may be available at all times. Before making a decision to acquire the Card, please check with the Travelex Store or on www.travelex.com.au for details of the available Currencies.

When a Cardholder loads and/or allocates funds across multiple currencies, the Cardholder is exposed to, and takes the risk of, foreign exchange fluctuations across these various currencies. For instance, if a Cardholder loads their Card in US\$ currency (at the prevailing rate on the day – see clause 9 of the Terms and Conditions), then over time, the Australian dollar equivalent of this US\$ currency may be less than, or more than, the original Australian dollar amount.

Service availability: In some circumstances, there is a risk that ATM or point of sale services may not be available for a period of time. The Issuer and Mastercard Prepaid are dependent upon the reliability and operational processes of technology and communications providers, with respect to computer and telecommunications networks. While all parties seek to achieve 100% availability, process and service disruptions may occur periodically.

Multiple Currencies – Order Of Priority

As the Card is a multi-currency Card it is set up so that you can fully utilise your entire balance to fund a transaction. This means that where you do not have funds available on the Card in the Currency of the transaction, either because it is not one of the available Currencies on the Card, or because you do not have a sufficient balance in the relevant Currency, the Card will use your available Currency balances in the default order of priority. The default order of priority is 1. AU\$, 2. US\$, 3. EU€, 4. GB£, 5. NZ\$, 6. THB, 7. CA\$, 8. HK\$, 9. JP¥, 10. SG\$. This means that the Card will first take funds from the relevant Currency balance, i.e. if the transaction in question is in US\$ the Card will first look to see if you have a sufficient US\$ balance and, if not, will then work its way through the balances in the above order until the transaction amount is able to be satisfied. In this case a Currency Conversion Fee will apply each time a Currency used to fund all, or part of the transaction is different to the transaction currency. Please see the Fees and Limits Table following for an explanation of what foreign exchange fees apply in these scenarios.

Fees & Limits Table

The following fees and limits apply. Fees and limits are subject to variation in accordance with the Terms and Conditions. Unless otherwise specified, all fees will be debited in AU\$ Currency. If there are insufficient funds in AU\$ Currency to pay such fees, then we will automatically deduct funds from other Currencies in the following order of priority: AU\$, US\$, EU€, GB£, NZ\$, THB, CA\$, HK\$, JP¥, SG\$.

- 1.2 All amounts of money specified in these Terms and Conditions are in Australian dollars (unless otherwise specified).
- 1.3 References to days, times, or periods of time in these Terms and Conditions are reckoned according to Australian Eastern Standard Time.

2. Introduction

- 2.1 These Terms and Conditions govern the use of the Card.
- 2.2 You agree to these Terms and Conditions by applying for the Card, activating a Card, signing the back of a Card, using a Card in any way including loading/reloading funds onto the Card, making a purchase or withdrawing cash from an ATM using the Card.

3. Issuing of Cards

- 3.1 The Currencies available in respect of the Card may vary from time to time. Where an available Currency will become unavailable, we will provide you with at least 14 days written notice in advance of this taking place, except where it is not reasonably practicable for us to do so. Before you make a decision to acquire the Card, please check with the Travelex Store or on **www.travelex.com.au** for details of the available Currencies. If we introduce a new Currency and you choose to allocate funds to that new Currency, you will be deemed to have acknowledged and agreed that, unless otherwise notified to you, these Terms and Conditions apply to such new Currency.
- 3.2 Subject to clause 5.8, you are responsible for determining the amount held for each Currency and for ensuring you have sufficient funds for all transactions in the relevant Currency. Subject to certain limits and subject to a fee (refer to the Fees and Limits Table in the PDS), you may allocate your funds across different Currencies via **www.travelex.com.au** and/or by such add additional methods as we may make available to you from time to time. If you experience any difficulties in allocating amounts via **www.travelex.com.au** then you may be able to allocate amounts via a Travelex Store or by telephone through Card Services.
- 3.3 You should memorise the PIN to prevent unauthorised use of the Card. You must also follow the rules on Card security (See clause 12 below).
- 3.4 The Card is the Issuer's property. The Issuer may suspend use of the Card and/ or ask that you return the Card with at least 14 days' notice to you via email or via 'My Account'. However, we may suspend and/or ask that you return the Card immediately and without notice if:
- (a) the Issuer has reason to suspect the Card has been or is likely to be misused;
 - (b) you breach any of these Terms and Conditions and we reasonably consider that this is likely to have a material impact on your ability to meet the obligations of these Terms and Conditions);
 - (c) the Issuer has reason to suspect any illegal use of the Card, such as fraud or criminal activity; or
 - (d) you gave the Issuer false, inaccurate or incomplete information when you applied for the Card.

You must ensure that the Card (and any Travelex Money Card) is promptly returned to the Issuer if it asks you to do so.

- 3.5 The Card is not a credit card and, subject to the Travelex Money Card Fund becoming overdrawn, all use is limited to the amount pre-loaded and standing to the credit of the Travelex Money Card Fund and any other limits referred to in these Terms and Conditions.

- 3.6 There is no interest payable to you on the credit balance of the Travelex Money Card Fund.
- 3.7 Amounts can be added to the Travelex Money Card Fund only as specifically provided in these Terms and Conditions.
- 3.8 The Travelex Money Card Fund does not amount to a deposit with the Issuer and the amount standing to the credit of the Travelex Money Card Fund does not count as an amount or deposit for any purpose, other than as described in these Terms and Conditions.
- 3.9 The issuance of a Card is subject to you satisfying the relevant application criteria, as determined by us from time to time in order to meet customer identification and know your customer requirements set by law, including by providing us with sufficient information and proof in relation to your identity. To apply for a Travelex Money Card, you must also have a residential address in Australia. We may limit application criteria to drivers licence and/or passport holders of countries or by reference to types of identification if we believe this is reasonably necessary for know your customer or due diligence purposes.
- 3.10 In certain circumstances we may also ask you to provide us with additional details, including but not limited to your source of funds and the purpose of the transaction, that we may reasonably require to meet our legal requirements. We may ask you to provide additional information in relation to your identity and/ or source of funds at any time during the life of this Agreement, as we may reasonably require to meet our legal requirements.
- 3.11 We reserve the right to refuse an application at our sole discretion on any lawful grounds, including but not limited to where we are unable to satisfy ourselves as to your identity or where your profile is inconsistent with our customer profile for the Card.
- 3.12 You must provide all information to us which we reasonably require in order to manage anti-money laundering or counter terrorism financing and economic and trade sanctions risks or to comply with any laws or regulations in Australia or any other country.

4. Activation and expiry

- 4.1 The Card is activated and ready to use within two (2) business hours of purchase unless such other period is notified by Travelex at the time of purchase.
- 4.2 The expiry date is printed on the front of the Card.
- 4.3 The Card cannot be used after it has expired. However, you will still be able to obtain a refund of the Card Fund balance, less any applicable fees (refer to Fees and Limits Table and see clause 10 below).

5. Use of the Card

- 5.1 The Card may, subject to any applicable fee, be used to withdraw cash from an ATM displaying the Mastercard®, Maestro® or Cirrus® Acceptance Mark and / or to pay for goods and services at merchants, or online, who accept Mastercard® cards electronically. Please note that the Card is for electronic use only and cannot be used for manual or offline transactions. In addition, the Card must not be used for any unlawful activity. You agree to never give your Card or PIN to another person.
- 5.2 You may also be able to obtain cash over the counter through a financial institution, such as a bank or bureaux de change, subject to a fee. Please see the Fees and Limits Table in the PDS for details.
- 5.3 When a Card is used to purchase fuel at an automated fuel pump the Card Fund must have a minimum credit of AU\$80 (or foreign currency equivalent). In addition, to make a telephone call there must be a minimum of AU\$11 (or foreign currency equivalent). If you spend less than these minimum amounts any unused balance may be temporarily unavailable.
- 5.4 When a Card is used at bars or restaurants an additional percentage (usually, but not necessarily, 20%) may be automatically added as an anticipated service charge or tip and debited to the Card Fund. If your actual service charge or tip is less, any unused balance may be temporarily unavailable.
- 5.5 Certain businesses may not accept the Card as a means of pre-authorising expenditure. If the Card is used for this purpose, some businesses (such as hotels, cruise lines and car rental companies) may pre-authorise the estimated amount of the final bill and this amount will temporarily be unavailable for up to 30 days. Only the actual amount of the final bill will be deducted from the Card Fund. We do not recommend using the Travel Money Card for pre-authorisations such as hotel deposits, car hire deposits or at "pay at pump" petrol stations as this may prevent you from using those funds for a significant time.
- 5.6 When a Card is used to purchase goods for delivery by mail or online an additional 10% may be automatically added as an anticipated delivery charge. If the actual delivery charge is less, any unused difference may be temporarily unavailable.
- 5.7 Subject to the application of clauses 5.8 and 9.4, the applicable Currency balance (and therefore the total Card Fund) will be debited with the amount of each cash withdrawal or transaction and any fee and these debits will reduce the balance of the applicable Currency (and therefore, the total Card Fund). Each transaction will require authorisation or validation before completion.

- 5.8 If there are insufficient funds in a particular Currency to pay for a transaction, the balance of the transaction will be automatically processed using other Currencies in the following order of priority: AU\$, US\$, EU€, GB£, NZ\$, TH฿, CA\$, HK\$, JP¥, SG\$. If following the use of the available balances of all Currencies there are still insufficient funds to pay for a transaction, the Card may be declined, or the retailer may allow you to pay the balance by some other means. If we add any new currencies to the Currencies available to you in connection with the Card, then we will notify you of the new order of priority accordance with clause 20 .
- 5.9 You agree to accept a credit to your Card in the applicable Currency if you are entitled to a refund or other credit for any reason for goods or services purchased using the Card.
- 5.10 A transaction or payment cannot be stopped once you authorise the use of the Card. The ATMs and POS terminals are not owned or operated by the Issuer, Mastercard Prepaid or Travelex and the Issuer and Mastercard Prepaid are not responsible for ensuring that they will accept the Card, except to the extent there has been fraud, negligence or willful misconduct on our part (including that of our officers, employees, contractors or agents).
- 5.11 You must comply with all laws and regulations (including any foreign exchange controls) in respect of the Card in the country of purchase and/or use.
- 5.12 By successfully applying for and using the Card, you acknowledge and consent that we do not provide, and you will not receive paper statements. Electronic statements showing the Card's transactions and Travelex Money Card Fund balance are available.
- 5.13 If a person reports that a mistaken payment has been made from the person's account to your Card, you agree that:
- (a) we may inform that person's financial institution whether your Card has sufficient credit funds to cover the mistaken payment; and
 - (b) freeze those funds (until the matter is resolved, which we will use reasonable endeavours to do as soon as practicable.) or debit those funds from your Card
- 5.14 Where required by relevant law, for example where we reasonably believe you to be a Proscribed Person, you acknowledge that we may be required to block access to the Card and/or Card Fund and immediately refuse to process or complete any transaction or suspend or terminate our arrangements with you. You agree that under these circumstances we are under no liability to you, except to the extent that the liability is caused by our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents).

- 5.15 You agree that we may delay, block, or refuse to process any transaction without incurring any liability if we suspect, on reasonable grounds, that the transaction:
- (a) may breach any laws or regulations in Australia or in any other country;
 - (b) involves any person (natural, corporate, or governmental) that is itself sanctioned or is connected, directly or indirectly, to any person that is sanctioned under economic and trade sanctions imposed by the United States Office of Foreign Assets Control, United Nations, the European Union, or any country; or may directly or indirectly involve the proceeds of, or be applied for the purposes of, any unlawful conduct.
- 5.16 The Travel Money Card may not be used in countries which are subject to international sanctions. Refer to this website for further details. **www.travelex.com.au/travel-money-card/faqs?id=#using-the-card**

6. Card limits

- 6.1 Most ATM operators limit the minimum and maximum amounts that can be obtained in a single transaction. These amounts may also be limited (in some countries) by regulatory controls.
- 6.2 Other limits are also applicable to the use of the Card, as set out in the Fees and Limits Table. See Pages 7, 8 and 9 of this PDS.

7. Card Fund

- 7.1 Until the expiry of the Card you can add additional funds to each Currency through a Travelex Store (who will advise you of the acceptable methods of payment), if you reside in Australia - through BPAY® from an Australian financial institution account or through other methods made available from time-to-time which are set out at **www.travelex.com.au**, subject to certain limits and subject to a fee (refer to the Fees and Limits Table). There may be a delay of up to 2 business days for BPAY® Top ups, provided the payment is made before 2pm Australian Eastern Standard Time) before funds added to the Card Fund via Online methods are available for use. BPAY® Top ups that have not been booked via **www.travelex.com.au** will be allocated to your current default top up Currency. The default top up Currency will initially be AU\$, however you can change your default top up Currency online via **www.travelex.com.au**. Please note that you can only have one default top up Currency at a time. If you send a BPAY® Top up and then change your default top up Currency before we receive your BPAY® payment we will apply your top up to the Currency that is set as your default reload Currency at the time we process your top up. If a BPAY top up is booked online via **www.travelex.com.au**, the exchange rate that will apply to the transaction can be locked in for 4 hours at the time of booking.

Otherwise, the exchange rate that will apply to the transaction will be the prevailing rate set and determined by Mastercard Prepaid at the time the top up is processed. Via 'My Account' you are able to:

- (a) change some of your personal details;
- (b) allocate your funds across different Currencies;
- (c) check the balances;
- (d) check your Card transactions; and
- (e) reveal your Card PIN.

- 7.2 As best as you can, memorise your PIN. This is very important as you may not be able to change the PIN issued with your Cards. For security purposes, you should not keep your PIN written anywhere near your Cards. If you forget your PIN, you can obtain a PIN reminder by calling Mastercard Prepaid and answering the security questions you supplied on your application or by going to 'My Account' and following the prompts at **www.travelex.com.au** at any time.
- 7.3 You may also be able to make a balance enquiry at some ATMs although availability is dependent on the country and the ATM used. There may be a fee payable (to the ATM operator) for balance enquiries.
- 7.4 If an ATM displays a balance for the Travelex Money Card Fund, then this may be displayed in AU\$ or in a different currency, in which case the exchange rate applied may be different to ours and minor discrepancies can arise. An ATM will not display a balance for each Currency. An accurate balance for each Currency can be obtained through Mastercard Prepaid or through 'My Account' at **www.travelex.com.au**.
- 7.5 Information sent over the internet may not be completely secure and the internet and the online systems are not controlled or owned by the Issuer or Mastercard Prepaid so neither the Issuer nor Mastercard Prepaid can guarantee that they will function at all times and the Issuer and Mastercard Prepaid accept no liability for unavailability or interruption or for the interception or loss of Personal Information or other data, except to the extent that the liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents).
- 7.6 Statements will be issued to you periodically at 6 monthly intervals. You can ask Mastercard Prepaid for a paper statement to be posted to you outside the normal statement cycle although there may be a fee for this. You should carefully check all statements for any discrepancies and notify Mastercard Prepaid on 1800 303 297 promptly if you believe there is any discrepancy in any statement.

- 7.7 The Card Fund can only be used if it is in credit. If a particular Currency becomes overdrawn, and a Negative Balance arises, following any transaction authorised by you, the resulting debit balance becomes a debt payable by you to the Issuer and we retain the right to recover this debt by deducting funds held in another Currency. When we convert the Negative Balance into the relevant Currency, we will use the same rate that we use for Currency to Currency allocations on the given day we process the transaction. If notwithstanding any such deduction a Negative Balance remains, the resulting debit balance becomes a debt payable by you to the Issuer. A Negative Balance Fee may also be payable if a particular Currency and/or the Card Fund becomes overdrawn (see Fees and Limits Table). If the Travelex Money Card Fund does become overdrawn, every attempt should be made, by you to stop subsequent transactions.
- 7.8 If we notice an error in the Card Fund that is our fault, we will correct it within 5 business days of becoming aware of the error.
- 7.9 If you notice any error in any transaction in the Card Fund, then you should notify Mastercard Prepaid promptly. Mastercard Prepaid or the Issuer may reasonably request you to provide additional written information concerning any error and you must comply with that request. Please note Mastercard Scheme Rules impose time limits after the expiry of which our ability to dispute a transaction on your behalf may be lost.
- 7.10 Provided that you have complied with all reasonable requests for information we will correct the error, to the extent it was caused by us, our service provider or our fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents). Where we reasonably determine that we are not liable for the error, we will notify you in writing or by email as soon as this decision is made. Where we are required to do so, we normally re-credit the Card Fund within 10 business days, although there may be a delay while investigations are completed.
- 7.11 If we or Travelex discover an error in the amount and/ or Currency of any funds that have been loaded or topped up onto a Card for any reason, Travelex is authorised to correct this error, including but not limited to debiting any amount of funds from the Card Fund that have been loaded in error. Where this occurs we will notify you.

8. Fees

- 8.1 You agree to pay and authorise us to debit the Card Fund for the fees set out in the Fees and Limits Table. These fees may be debited from the Card Fund as soon as they are incurred. Unless otherwise specified, all fees will be debited in AU\$ Currency. If there are insufficient funds in AU\$ Currency to pay such fees, then we will automatically deduct funds from other Currencies in the following order of priority: AU\$, US\$, EU€, GB£, NZ\$, THB, CA\$, HK\$, JP¥, SG\$. Any such deduction of funds may be subject to a fee (refer to the Fees and Limits Table). If we make additional currencies available to you in connection with the Card, then we will notify you of the new order of priority for the purposes of this clause 8.1 either directly or through 'My Account' and/or **www.travelex.au**.
- 8.2 Certain merchants may charge an additional fee if the Card is used to purchase goods and/or services. The fee is determined and charged by the merchant and is not retained by us.
- 8.3 If there is no credit balance on the Card Fund following the debit of any monthly inactivity fee (refer to the Fees and Limits Table, if the balance is less than the fee we will waive the difference) and the Card has expired, we will automatically close the Card Fund. Where this occurs, we will provide notice to you.
- 8.4 If any amount payable under this PDS represents consideration for a taxable supply, then those amounts shall be taken to be inclusive of GST.

9. Foreign currency transactions

- 9.1 There are seven instances where a foreign exchange rate will apply:
- (a) Initial load or in-branch top up where you allocate funds in a foreign Currency (i.e. in a currency other than AU\$);
 - (b) BPAY® Top ups, or Online top ups where you allocate funds in a foreign Currency (i.e. in a currency other than AU\$);
 - (c) Point of sale transactions where the transaction is in a currency that is not one of the Currencies available on the Card (including any transaction where we deduct funds under clause 5.8 above due to insufficient funds);
 - (d) ATM withdrawals where the local currency is not one of the Currencies available on the Card, or where there is an insufficient available balance in the relevant Currency;
 - (e) Where you allocate funds from one Currency to a different Currency;

- (f) Where we allocate funds from one Currency to a different Currency in accordance with these Terms and Conditions; and
 - (g) Where you close a Card, or request repayment of the balance of a Card under clause 10.2 below, that has funds in a foreign Currency (i.e. in a currency other than AU\$). The method for calculating the foreign exchange rate for each.
- 9.2 The foreign exchange rate used for initial loads and in branch top ups varies by Travelex Store. You can ask the Travelex Store for the exchange rate beforehand. Foreign exchange rates are subject to variation and the rate that applies one day will not necessarily be the same on any other day.
- 9.3 The foreign exchange rates used for BPAY® Top ups are set and determined by Mastercard Prepaid and vary each day. You can obtain this exchange rate by contacting Mastercard Prepaid. If a BPAY Top up is booked online via **www.travelex.com.au**, the exchange rate that will apply to the transaction can be locked in for 4 hours at the time of booking. Otherwise, the exchange rate that will apply to the transaction will be the prevailing rate set and determined by Mastercard Prepaid at the time the top up is processed.
- 9.4 If an ATM withdrawal or point of sale transaction is made in a currency which is different to any of the available Currencies, or exceeds the relevant available Currency balance, on your Card, the amount will be funded by converting the transaction amount into the next available Currency balance on your Card in the following order of priority: AU\$, US\$, EU€, GB£, NZ\$, THB, CA\$, HK\$, JP¥ and SG\$. The foreign exchange rate used is the rate determined by Mastercard Prepaid and varies each day.
- 9.5 The foreign exchange rate used for allocating funds from one Currency to another Currency is set and determined by Mastercard Prepaid and varies each day.
- 9.6 Where you close a Card, or request repayment of the balance of a Card under clause 10.2 below, that has funds in a foreign Currency (i.e. in a currency other than AU\$), we will convert these funds into AU\$ Currency. The foreign exchange rate used for this is set and determined by Mastercard Prepaid and varies each day.

Examples

Example 1:

The following example is provided to assist you in understanding how the foreign exchange rate is set and applied when you load your Card by way of an Online Load. You are travelling to the United Kingdom and wish to activate the Card and load Great British Pounds (GBP).

- Following Card Activation, go online and request to load GBP 1,000 into your Card.

- You are quoted a foreign exchange rate of AUD 1.00 = GBP 0.6501 (GBP 1.00 = AUD 1.538). This is the rate set by Mastercard Prepaid.
- The corresponding Australian Dollar cost to you of AUD 1,538.20 is also provided.
- This rate and the corresponding cost to you to purchase GBP 1,000 are set when you confirm your purchase.
- You will then be obliged to settle AUD 1,538.20 using methods made available online from time to time.

Example 2:

The following example is provided to assist you in understanding how the foreign exchange rate is set and applied when you conduct a BPAY load to your default Currency which is not set as Australian dollars.

- You initiate a BPAY load by making a payment of AUD 2,000 using the reference set out in this PDS and your default Currency is set as United States Dollars.
- At the time the transaction is settled and funds are loaded onto the Card (which may take up to two or three Business Days) the relevant foreign exchange rate is AUD 1.00 = USD 0.6998 (USD 1.00 = AUD 1.4290). This rate has been set by Mastercard Prepaid.
- The corresponding USD amount at that rate is USD 1,399.60, which is loaded into your USD balance.

The following example is provided to assist you in understanding how the Spend Rate is applied when you conduct an ATM transaction in a currency that is different to the Currencies on the Card. Although the below describes an ATM transaction the same process will apply to POS transactions. You are travelling in Brazil and wish to withdraw Brazilian Real BRL 50.00 from an ATM (Funds from your AUD balance will be used first as per the default order of priority – see this clause 9 above):

- Assuming the Spend Rate is AUD 1.00 = BRL 0.746 the AUD cost will be AUD 67.02 ($1/0.746 \times \text{BRL } 50.00$).
- If the merchant settles the transaction on the same day as the purchase, AUD 67.02 will be debited from your AUD balance. If the merchant settles on a subsequent day, then the rate that applies will be the Spend Rate on the day of settlement. You can obtain this exchange rate on **www.travelex.com.au**. Any withdrawal fee charged by an ATM operator will be charged in addition to the above amounts.

Example 3:

The following example is provided to assist you in understanding how the Spend Rate is applied when you conduct a transaction that requires us to allocate funds from several Currencies. You are travelling in the United States of America and while shopping make a purchase for USD 150.00. At the time of this purchase you have the following Currency balances – USD 50, AUD 0, EUR 60, CAD 100. The following application of Funds will take place:

Currency balance before transaction	Amount to debit from Card Fund	Spend Rate	USD conversion	Running purchase balance	Currency balance after transaction
USD 50.00	USD -50.00	-	N/A	USD 100.00	USD 0.00
AUD 0.00	AUD 0.00	-	N/A	USD 100.00	AUD 0.00
EUR 60.00	EUR -60.00	USD 1: EUR 0.7127	EUR 60 divided by 0.7127 = USD84.19	USD 15.81	EUR 0.00
CAD 100.00	CAD -15.98	USD 1: CAD 1.0109	CAD 15.98 divided by 1.0109 = USD15.81	USD 0.00	CAD 84.02

Example 4:

The following example is provided to assist you in understanding how the foreign exchange rate is set and applied when you allocate funds from one Currency to another Currency on your Card, or from one currency on your Card to a different currency on another person's Card. You have USD 500 held in the USD Currency balance in your Card and you wish to transfer all of it into your GBP Currency balance.

- You go online and indicate that you wish to transfer USD 500 into GBP.
- You are quoted a foreign exchange rate of USD 1.00 = GBP 0.688 (GBP 1.00 = USD 1.453).
- The corresponding amount of GBP 344 that this will enable you to purchase is also quoted.

Once this is confirmed by you, we will deduct USD 500 from your USD Currency balance and add GBP 344 to your GBP Currency balance.

10 Closing the Travelex Money Card Fund

- 10.1 The Card Fund continues until you ask to close it, or it is closed by us in accordance with these Terms and Conditions (whichever is the earlier), even if the Card has expired.
- 10.2 At any time before the Card has expired, you may be able to arrange through the Travelex Store, or Mastercard Prepaid, for payment in Australian dollars of any credit balance remaining in the Card Fund. Depending on which Travelex Store you attend in order to close your Cash Fund, the relevant amount will either be paid to you in cash or deposited into your nominated bank account (at our sole discretion). If you are non-resident visitor to Australia who has been identified using a foreign issued identification document (or you do not hold an Australian financial institution account) you will need to attend a Travelex Store in Australia to arrange for any credit balance remaining in the Card Fund to be paid to you. If you experience any difficulty in obtaining this balance through the Travelex Store or if the Card has expired, then contact Mastercard Prepaid. The credit balance available to you will not include un-cancelled pre-authorised or 'held' amounts (see clause 5 above), although these sums will be made available to you once the pre-authorisation has been cancelled or the 'held' amounts released and the relevant amounts re-credited to the Card Fund.
- 10.3 Once the Card is closed, you must destroy the Card by cutting it (or them) in half diagonally, ensuring the Chip is destroyed, and disposing of it (or them) securely.

- 11.2 The Global Emergency Assistance services are available to you, your partner, and children under 16 years of age.
- 11.3 The Issuer arranges for the Global Travel Assistance services to be provided and is not the provider. The Issuer does not promise that the Global Emergency Assistance services will:
- (a) always be available;
 - (b) be suitable for any purpose; or

- 11.4 You acknowledge that any changes to, or discontinuance of, the Global Emergency Assistance services can occur without the Issuer's participation.

- (a) the Global Travel Assistance services are used at your own risk;
- (b) the Issuer is not liable for any liability or loss arising in connection with the use by you of the Global Travel Assistance services or because of the Global Travel Assistance services being unavailable or discontinued, except to the extent that the liability is caused by the Issuer's fraud, negligence or wilful misconduct (including that of our officers, employees, contractors or agents, other than Mastercard Prepaid Management Services);
- (c) you cannot make any complaint to the Issuer about the Global Travel Assistance services; and
- (d) you do not rely on the Global Travel Assistance services being available, being suitable for any purpose or being provided to any particular standard in deciding to purchase the Card.

12 Card security

12.1 You must make sure that you keep the Card, the Security Details, and any PINs safe and secure. The precautions we require you to take (Security Requirements) are set out below. You must not:

- (a) allow anyone else to use the Card;

- (c) unnecessarily disclose the Card number;

12.3 The Card will be disabled if an incorrect PIN is entered three successive times. If the Card is disabled, please contact Mastercard Prepaid to reactivate the Card. There may be a delay (usually 24 hours) in reactivating a disabled Card.

13 Loss, theft, and misuse of Cards

- 13.1 If you know or have reason to suspect that the Card is lost or stolen or damaged, likely to be misused or you have reason to suspect that someone else may know the PIN or Security Details, you must promptly notify Mastercard Prepaid. We will then suspend the relevant Card to restrict further use.
- 13.2 You may be required to confirm details of the loss, theft, or misuse in writing (and to provide information in the confirmation) and you must take reasonable steps to comply with that requirement.
- 13.3 You must take reasonable steps to assist us and the police in any enquiries and attempts to recover a lost or stolen.
- 13.4 If any lost Card is subsequently found it must not be used unless Mastercard Prepaid confirms it may be used.

14 Liability for Unauthorised Transactions

- 14.1 You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.
- 14.2 You will not be liable for losses resulting from Unauthorised Transactions that are caused by the fraudulent or negligent conduct of:
 - (a) our staff or agents; or
 - (b) companies involved in networking arrangements, or

- 14.4 Where we can prove on the balance of probability that you have contributed to the losses caused by an Unauthorised Transaction:
 - (a) through your fraud; or
 - (b) by failing to comply with the Security Requirements, then you are liable for the actual losses which occur before we are notified of the loss, theft or misuse of your PIN or Card or a

breach of the Security Requirements. However, you will not be liable for any loss on any day, or in any period, exceeding any applicable transaction limit for that day or period and you will not be liable for loss in excess of the balance of the Travelex Money Card Fund available for transactions using the Card. If you leave your Card in an ATM, you will be liable for all losses arising from Unauthorised Transactions in relation to your Card as long as the ATM incorporates reasonable safety standards that lessen the risk of your Card being left in the ATM (e.g. ATMs that capture cards that aren't removed or which require a user to swipe and then remove a card before commencing the transaction).

- 14.5 You will be liable for losses resulting from Unauthorised Transactions where we can prove on the balance of probability that you have contributed to the losses through unreasonably delaying notification of the misuse, loss or theft of a Card or that the security of the relevant PIN has been breached. Your liability in this case is limited to losses occurring between the time that you became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Card, but you will not be liable for any loss on any day, or in any period, exceeding any applicable transaction limit for that day or period and you will not be liable for loss in excess of the balance of the Travelex Money Card Fund available for transactions using the Card.
- 14.6 Where a Security Code was required to perform an Unauthorised Transaction, and clauses 14.1 to 14.5 do not apply, you will be liable for the least of:
- AU\$150;
 - the actual loss at the time we're notified that the security of the PIN was breached or the Card has been lost, stolen or used without your permission (limited by the applicable daily or period transaction limits over the relevant timeframe); or
 - the balance of the Travelex Money Card Fund available for transactions using the Card.
- 14.7 For Card transactions that don't need a PIN, you're not liable for any Unauthorised Transactions unless you have unreasonably delayed notifying us of the loss, theft or unauthorised use of the Card.
- 14.8 You are responsible for checking your transaction history online and knowing your available balance. You can check your balance and transaction history free of charge at **www.travelex.com.au**. To dispute a transaction(s) on your Card complete the 'Dispute Claim Form'. To obtain the "Dispute Claim Form" please visit **www.travelex.com.au**. Mastercard Scheme Rules impose time limits after the expiry of which our ability to dispute a transaction on your behalf may be lost. We may not be responsible for any loss to you where it can be shown that you have unreasonably delayed notifying us.

15 Replacement Cards

- 15.2 If the Card is lost, stolen or damaged while you are overseas you can request a replacement by contacting Mastercard Prepaid on +44 207 649 9404. 16 Mobile Wallet and Mobile Device Payments

- 17.2 The Issuer may cancel or suspend the use of your Card and/or end this Agreement;
- a) with at least 14 days notice to you. However, the Issuer may, cancel or suspend the use of your Card and/or end this Agreement immediately and without notice if: we have reason to suspect the Card has been or is likely to be misused;
 - b) you breach any of these Terms and Conditions and we reasonably consider that this is likely to have a material impact on your ability to meet the obligations of these Terms and Conditions);
 - c) we have reason to suspect any illegal use of the Card, such as fraud or criminal activity; or
 - d) you gave us, Travelex or the Issuer false, inaccurate or incomplete information when you applied for the Card.
- 17.3 If the Card is closed, we will refund any credit in the Travelex Money Card Fund (less any fees, see clause 10 above for more information).
- 17.4 Where these Terms and Conditions permit us to suspend a transaction or your use of the Card for any reason, we will investigate the grounds for the suspension as soon as reasonably practicable. Where we are reasonably satisfied that there is no ground to continue the suspension, it will be released as soon as practicable.

18 Changing the Terms and Conditions

18.1 We reserve the right to change these Terms and Conditions of Use at any time. Except where we are required by a law or a code to do so, or the change is materially adverse to you, you will not receive advance notice of such changes. If the change is materially adverse to you, we will notify you at least 14 days before the effective date of the change. However, if the change is made for one or more of the following reasons we can implement such change without prior notice:

- (a) to comply with any change or anticipated change in any relevant law, code of practice, or guidance;
- (b) to reflect any decision of a court, ombudsman or regulator; or
- (c) for security reasons where reasonably necessary to address security concerns or vulnerabilities.

If you do not accept the updated Terms and Conditions, you should cease using the services.

18.2 We will not be in breach of these Terms and Conditions if we take necessary action in order to make a change necessitated by an immediate need to restore or maintain the security of the system or the Travelex Money Card Fund.

19.1 We will not be liable to you for any loss due to:

 - (b) the payment of the cost of having the services supplied again.
- 19.5 Travelex is only authorised by the Issuer or Mastercard Prepaid to provide the services explained in the Product Disclosure Statement in which these Terms and Conditions are printed.
